

FORCE/2

Certified Pre-Owned

Serial #: CPO 063 201712

Insulation Blowing Machine

Intec has A Certified Pre-Owned FORCE/2 for sale.

High Productivity ~ Great Value

- New HP blower installed
- New 1-way valve installed to lengthen blower life & enhance dense-pack capabilities
- New airlock seals installed
- wired remote included

Wheel Kit Enhances Portability

– *Optional* Ratchet strap allows for quick assembly

This **FORCE/2 CPO** comes with these industry leading components on which it has built its reputation for durability and reliability:

- ✓ Polyethylene construction: rust-free, lightweight, and extremely durable.
- ✓ Urethane seals: last 2-3X longer than belted rubber providing higher pressures & production rates over time with less maintenance.
- ✓ Stainless steel airlock plates: provide long wear life vs. industry standard airlock construction.
- ✓ Direct-drive transmission: few moving parts provides longevity with little maintenance.
