- cutterFORCE®: 75100 CUTTER
 - cutterFORCE® mini: 75100-12 Cutter
 - clean-up tool: 75111-00

Closed & Open Cell Wall Scarfing Tool

The wall foam cutting tool designed for the needs of the Professional Contractor!

cutterFORCE® is one tool that has been designed to remove both open & closed cell foam; 16" and 24" on center construction. The **cutterFORCE mini** provides for touch up & capabilities in hard-to-reach areas.

- Scarfed foam is sized to allow for quick pick-up and no dust.

standard

mini

- Waste can be bagged requiring little space...no more large foam pieces wrapped in poly requiring multiple trips to the landfill.
